HEALTH BOARD MEETING.

At the meeting of the Board of
Health yesterday afternoon Minister
Cooper handed in his resignation as
president, finding himself unable to re-
tain this office as well as that of At-
torney General. Mr. Cooper stated
that he wished to assist the Board of
Health in every way possible. A resolu-
tion accepting Minister Cooper's resig-
nation was adopted with expressions
of regret from the members.

Dr. C. B. Wood was nominated by
Minister Cooper for the presidency.
Mr. Smith seconded the motion which
was carried unanimously. Dr. Wood
then took the president's chair and
made a few remarks to the effect that
he intended to carry on the work of
the Board of Health in as efficient a
manner as possible.

Dr. Emerson stated that the work of
the committee appointed by the Board
to draw up a list of suggestions deal-
ing with the purification of the city
was progressing. He urged the ap-
pointment of some competent person
whose duty would be to see that the in-
structions of the Board regarding the
sanitary condition of buildings under
construction were carried out.

The following resolution was then
adopted:
"That the erection and construction
of any building whatsoever, on land in
any district declared by the Board of
Health to be infected, is hereby pro-
hibited until further notice.

"That a copy of the resolution be
furnished to the Minister of the In-
terior for communication to the super-
intendent of Public Works."

Then followed the adoption of the
following resolution:
"All that portion of the city of Ho-
nolulu bounded by Nuuanu, Kukul,
River and Queen streets, is officially
declared by the Board to be an infected
district."

It was decided to use the sprinkling
carts of the city for the purpose of dis-
tributing a solution of sulphuric acid
through the streets of the city. Mr.
Smith will superintend this work.

A resolution to the effect that the
period of quarantine of all persons
taken from infected districts be ten
full days was adopted.

It was resolved further:
"That the Chinese and Japanese Con-
suls be notified, that such quarantine
will be permitted by the Board, pro-
vided suitable structures are provided."

It was resolved that the diagnoses of
physicians employed by the Board be
accepted as final and so declared offi-
cially.
